**Digital Staging is a new specialisation course from the Institut del Teatre that aims to introduce the fundamentals of staging for the application of expressive resources from digital and multimedia technology. The unique feature of this course is its cross-curricular approach in order to achieve a multidisciplinary and contemporary understanding.**

**The course is of a preparatory nature and is recommended for all those wishing to study the Postgraduate in Staging and Digital Technology. Nevertheless, it may be done separately to the postgraduate programme.**

### **Career prospects**

- + Artist/creator of live art and events that incorporate digital technologies.
- + Professional working with digital technologies that consolidate the needs of staging and event creation.

### **Calendar and teaching hours**

November 2019. Fridays, from 4 p.m. to 8 p.m. and Saturdays, from 10 a.m. to 2 p.m. and from 3 p.m. to 7 p.m.

### **Languages**

English, Catalan and Spanish.

### **Places**

20

### **Enrolment fee**

€450
