Plató

*Think for yourself. Question authority
Think for yourself. Question authority
Throughout human history,
as our species has faced
the frightening, terrorizing fact
that we do not know
who we are, or where we are going
in this ocean of chaos,
it has been the authorities,
the political, the religious,
the educational authorities
who attempted to comfort us
by giving us order,
rules, regulations, informing,
forming in our minds
their view of reality.*

*To think for yourself
you must question authority
and learn how to put yourself
in a state of vulnerable, open mindedness
Chaotic, confused, vulnerability,
to inform yourself
Think for yourself. Question authority.*
